Video: Signing the Alphabet Presentation 1

[Transcript](#)

Signing Names Presentation 1

Shape fingers on both hands into letter “H” shape. Then tap twice on top of one another.

This sign is used to ask or tell someone your name-sign followed by fingerspelling of your name

Fingerspelling Presentation 1

For this sign just wiggle your fingers while pulling hand from left to right.

This sign can be used when asking someone to fingerspell a word that you lack the sign for.

Hearing Presentation 1

Shape fingers into letter “D” Hand Shape
and touch from ear around to your mouth

This in sign language refers to
someone who is not Deaf.

Using Pointer finger near mouth- rotate in
circular motion.
